FRN: 2285218
USAC Decision: 09/27/2016

November 7th, 2016

Dear Sirs.

This is a letter of APPEAL regarding the attached USAC appeal denial. Prior to July 2016, the school has been completely unaware of the inquiries from USAC surrounding this FRN. This has caused a "Commitment Adjustment Letter (CAL)" and a "Demand Payment Letter (DPL)" to be issued while the school was not in direct contact with USAC to adequately respond to their inquiries.

The proper personnel at the school have recently been made aware of the situation and they have brought our consulting firm on to help rectify the situation. The USAC inquiries were being addressed to a member of the staff who was no longer working for the school and at a different location. Therefore, the previous letters went unaddressed.

Please grant us the opportunity to respond to the inquiry surrounding the FRN in question.

Sincerely,

Daniel Hochman
